

Secret Saviour

Introduction: ..."it's getting darker..."

- Aliens and Strangers (1 Peter 2:9-12)
- Ambassadors for Christ (2 Corinthians 5:18-21)
- Agents Undercover (Matthew 10:32-33)

Reflection & Response: as we celebrate communion today, we are:

- Reminded of reconciliation and what God did for us
- Reminded of our mission and what God offers through us
- Asking; are we living as foreigners and serving as ambassadors or are we hiding like secret agents?

- **think back** Sunday's message
 - What stood out to you?
 - What are you doing about it?
 - Were you left with questions?
- **think back**
 - Read Matthew 10:32-39 together
 - in this context, Jesus is speaking about facing opposition and rejection from the world, even from those closest to us
 - where is my allegiance?
 - when and how is this challenged?
 - do I speak and live with those around me in a way that truly "shines"?
 - am I trusting God with their response?
- **time to pray**
 - who in my family am I praying for and sharing Christ with?
 - who else around me am I praying for and sharing Christ with?
 - Pray together for those mentioned and for our outreach event on November 27
